

REMARKS

In the Office Action dated March 20, 2007, corrected drawings for Figures 1 and 2 were required with professionally lettered legends. Figures 1 and 2 are submitted herewith on the replacement sheets attached hereto, wherein the legends have been professionally lettered. All of the figures are therefore submitted to be in full compliance with all provisions of 37 C.F.R. §1.84.

Claim 19 was rejected under 35 U.S.C. §101 as being directed to non-statutory subject matter. Claim 19 has been editorially amended to use the language that has been approved in the guidelines, in which a "computer-readable medium encoded with a data structure" is explicitly stated to constitute statutory subject matter. Amended claim 19 is therefore submitted to be in full compliance with all provisions of 35 U.S.C. §101.

Certain claims also have been amended to correct typographical errors therein.

Claims 1-18 were stated to be allowed, and no prior art was applied against claim 19. In view of the amendments to claim 19, all claims of the application are submitted to be in condition for allowance. Early reconsideration of the application is respectfully requested.

The Commissioner is hereby authorized to charge any additional fees which may be required, or to credit any overpayment to account No. 501519.

Submitted by,
